

Surgery Instructions And Information

Type of Surgery: _____

Date of Surgery: _____ **Time:** _____

Facility: _____

These are helpful instructions for surgery. There are also general. If your provider instructs you differently, follow those instructions. As always, if you have questions that are not answered here, please call us.

- **Nothing to eat or drink after midnight the night before your surgery.**
- **No blood thinners 5 days before, including aspirin.**
- **No alcohol the night before.**
- **The hospital will call you the day before about 2-6pm with your surgery time.**
- **You will need a ride home from the hospital.**
- **If you are sent home with a catheter in place, you need to come in the Monday after surgery between nine and noon to have this removed.**
- **You will need a follow up after surgery in our office.**
